### ***“Everglades’ Photography by Canoe” by Constance Mier***

As a photographer and canoeist living in Miami, Florida, Constance Mier began exploring the Everglades and Biscayne Bay with a canoe several years ago. The canoe came first and then the camera. Since 2004, she has been photographing continually in the Everglades and Biscayne Bay. The unique qualities of her photography come from the fact that every image was either shot from the canoe or from land accessible only by boat. Her work often illustrates those areas of the Everglades and Biscayne National Parks that are never seen by most visitors.

Please join us on **Saturday, November 9**, from 1:00 to 3:00 pm to welcome Constance and see her exhibit.

## **Marjory Stoneman Douglas Festival February 18 - 22, 2014**

Plan early for the upcoming Museum's MSD Festival in February. The Opening Luncheon will include a talk by Rick Hirsch, Managing Editor of the Miami Herald, a portrayal of Marjory by Janina Birtola, and the photographer Alan Maltz discussing his new photography book: *Journey through Paradise: Naples, Marco Island and the Everglades*. During the week, there will be presentations by the Homestead Fruit and Spice Park, the Gulf Coast Orchid Alliance and R F Orchids. In addition to swamp walks, canoe trips, wonderful talks, and orchid sales, a new addition this year will be “Seminole Day.” Otter John will also be performing.
