Brian Call, Photographer

The Artist for the months of April and May is Brian Call whose photography captures the essence of the Everglades. Brian

has been active in ecological organizations such as Friends of the Panther Refuge and has been resident artist at the Deering Estate as well as exhibiting for Naples Backyard History. He is quoted as saying “We are losing wilderness areas at an alarming rate, and developing a greater sense of intimacy with the earth and its natural cycles is of critical importance. Hopefully my nature photography will contribute to inspiring this kind of emotional and spiritual connection that is so urgently needed.”

A reception to meet the artist will be hosted by the Friends of the Museum on **Saturday, April 14**, from 1:00 to 3:00 p.m. Everyone is invited!

The Friends of the Museum will have their next Board meeting at 3:30 p.m. on Wednesday, **May 2**, at the Museum. All members are welcome to attend and to volunteer for committees and events.

On **Saturday, April 28**, the Museum will be celebrating its 14th Birthday as well as the 84th Anniversary of the Opening of the Tamiami Trail in 1928. Antique Cars will be arriving around 10:00 a.m. The program begins at 10:30 a.m. and will include live music by “Red Dirt Mojo”, a living history exhibit of a Gladesmen camp, storytelling, and complimentary hotdogs, lemonade and a birthday cake. All donations to benefit the Carol Moseman Art Scholarship Fund. Come join the party!
