“Florida Nature: Through the Artist’s Eye”

Christine Reichow’s medium is watercolor, her genre realism and her motifs of floral and wildlife combine convey an intimate and deeply-felt love for the delicacy and serenity of the natural world that surrounds her. There is a meditative quality to her depictions. They encourage the viewer to become centered, to re-establish a primordial connection to nature and the beauty that surrounds us.

Christine is a Signature member of the American Watercolor Society, National Watercolor Society, Transparent Watercolor Society of America, Florida Watercolor Society and a member of Watercolor West and Southern Watercolor Society.

The Friends of the Museum will host a reception to “Meet the Artist” from 1:00 to 3:00 p.m. on **Saturday, April 12**, at the Museum. Please plan to join us to welcome Christine.
