“Greetings from Florida”

Oil Paintings by Myra Roberts

Myra Roberts’ work hangs in private and public art collections across the United States and Europe, including the Robert Rauschenberg estate on Captiva Island. *Myra Roberts: Retro Images from the Florida Coast* features her stunning paintings of famous personalities who came to Sanibel & Captiva, such as Anne Morrow Lindberg, “Ding” Darling and Thomas Edison. Myra’s original, vintage-style art portrays the things people love about Florida: palm-fringed beaches, blue-green water, sea turtles, bathing beauties, and tropical scenes. Her paintings, like those of Norman Rockwell, tell a story which appeals to people of all ages and interests. To see more of her art work, visit website www.myraroberts.com.
