### **Everglades City School Students' Exhibit** May through August 2009 Pauline Reeves Gallery

On Thursday, May 21, the Friends of the Museum hosted a reception for the student art exhibit in the Pauline Reeves Gallery. If you were not able to attend, you must see this incredible display by our very talented students, under the direction of Mr. Paul Tribble. He certainly understands how to bring out the best in his students and these works of art certainly confirm this.

At the May meeting of the Board of Directors, it was decided to give the net proceeds from the Museum's April birthday party to Mr. Tribble for the purchase of art supplies (see picture on left column).
