HAPPY NEW YEAR

Wishing all our members and friends the best of 2012, we invite you to join us in celebrating the artists and programs we have throughout the upcoming year! Our monthly newsletters and website will keep you informed.

Pauline Reeves Gallery

The photography of Brian Trainor is the featured exhibit in the Pauline Reeves Gallery for the month of January. Brian developed his interest in photography during seven years of service in the Navy. He searches for alternative ways to present everyday objects,

landscape and nature. This creative process explores and develops a new understanding and appreciation for his subject and its potential for compositional importance. Brian in many untraditional ways employs his imagination, creativity and sense of curiosity, developing an interpretation of his subjects that result in unique images. Visit Brian's website to learn more about him and his work: www.briantrainorphotography.com.

The Friends of the Museum will host a reception to meet the artist on **Saturday, January 14**, from 1:00 pm to 3:00 pm. Please join us and bring a friend to meet this extraordinary artist.
