### **Carol Moseman Scholarship**

On May 24 during the High School Awards ceremony, Courtney Noble was awarded the Carol Moseman Scholarship by the Friends of the Museum of the Everglades. Courtney submitted an essay about her interests in art and journalism. She stated “I believe putting a thought to paper can be one of the most powerful and influential ways to express one’s idea, proposal, story or vision.” Courtney plans

to major in writing and also learn more about painting and becoming an artist as well as an author of novels. She believes her passion for telling stories is her way of expression that validates all the things she has worked hard for in her life. We wish Courtney the very best for a successful career in the arts.
