### Everglades City School Students

Once again the Everglades City Students will be displaying their art work under the guidance of Mr. Paul ‘Trib’ Tribble who has been teaching at Everglades City School since 1978. The exhibit will be on display for the summer months through August. There will be a reception on **Monday, June 3, at 10:00 a.m.** Everyone is invited!

The Friends of the Museum of the Everglades has developed a brochure listing all the exhibits, events, and programs now being offered at all five Collier County Museums. Pick up your copy of the Summer/Fall happenings at the Museum of the Everglades.

### **Carol Moseman Scholarship**

During the May 17 High School Awards ceremony, Paige Robinson was awarded the Carol Moseman Education and Service Scholarship by the Friends of the Museum of the Everglades. In the essay on her application, Paige said that art has played a very important role in her life. She is planning to study cosmetology at the Paul Mitchell Academy. Paige stated “Everyone is always looking at other people’s appearances, and I would love to be able to use my craft in ways that everyone can see. I believe that taking so many art classes throughout my schooling has really helped me grow and become more artistic as the years have gone by, and I’m ready to start my career. I would like to help others look and feel beautiful, while being creative as well.” We wish Paige the very best for a successful career.
