### **Carol Moseman Scholarship**

The Everglades City High School Awards Banquet was held at the Seafood Depot on May 20. Dairean Williams was awarded the Carol Moseman Education and Service Scholarship by the Friends of the Museum of the Everglades. In the essay on his application, Dairean said that his goal is to become a professional game programmer with a graphic design background. He states that “I have the creativity and the determination to take hold of a dream and soar high above my limits and then keep soaring.” His teacher, Mr. Paul Tribble, comments that Dairean’s “career is high on his list of priorities and his grades reflect that he has become even more focused on being the very best he can be.”

Dairean has been accepted into the Computer Animation degree program at Full Sail University in Winter Park, Florida.

Congratulations and Best Wishes!
